All entries must be original from your newspaper or newspaper website. They must be conceived and written by the newspaper staff members. A staff member is defined as a regularly employed, full-or-part-time person who works for your newspaper. Free-lance work is allowed only if it appears exclusively in your newspaper.

Entries in all categories may be submitted from newspaper print and online products, newspaper websites, or newspaper niche publications. This excludes magazines that are published on a quarterly basis.

A signed Publisher's Statement of Validity is required.

2024 AMA Editorial Contest Essentials

Group Publications:

In instances in which more than one newspaper under one ownership cooperates in its news and advertising, a single piece of work can be entered by only one newspaper in the largest category. Entries for affiliates of active member papers that enter in Division E should only enter work unique to their product. For example if a story, photo, or ad is entered under the active member paper, it is not eligible to be entered in Division E under the affiliate member paper.

Entry Prep:

All entries should be submitted as full-page PDFs or URLs, showing date of publication and paper name (no cropped pieces). Be sure to include jump pages. Note: Entries for General Excellence and categories 1-8 are required to be from specific date ranges. Check the rules for details. Also, some categories are required to be submitted as hard copies. PDF's should be print quality resolution, but please try to optimize the file to the smallest size. Articles for entry should be clearly marked so it is obvious what to judge.

Web Categories:

If linking to a part of your website that is behind your pay wall or password-protected area, make sure to include a user name and password for the judges that will work in the months of March, April and May. Judges may disqualify your entry if work samples are inaccessible. Simply enter your paywall info into the paywall info box or Title/Cutline box or create a PDF with the access info and upload when you submit your entry.

Judging information:

Judging will be handled by newspaper professionals from another state. The 2024 contest judging partner is the Hoosier State Press Association (Indiana). When possible, panelists from dailies will judge daily entries and those from weeklies will judge weekly entries. Judges reserve the right to disqualify entries submitted in an inappropriate category or that do not otherwise follow the criteria described herein. Decisions of the judges are final, however the APA Media Awards Contest Committee reserves the right to revoke any award found to be in violation of the contest rules. Judges will be asked to include brief, useful and constructive comments for each first place award. Comments will be published in a contest publication and distributed to all member newspapers.

PDF Instructions

- Each entry must be less than 100 MB, but smaller files are better.
- Eliminate extra pages. Upload only the page(s) on which the entry is located.
- For multiple-page entries, combine all pages, including jumps, into one PDF.
- If you don't have Adobe Acrobat or can't figure out what to do, call APA for help.

Extract pages from multi-page PDFs:

- If your entry is part of a multi-page PDF, open the PDF with Adobe Acrobat and save it with a new name.
- Open the new PDF, go to "Document" menu, select "Extract Pages" and follow the directions.
- Eliminate all pages that are NOT part of your entry. In the "Pages" panel, you can rearrange the PDFs in the order you want the judges to see them.
- Save the new PDF.

Combine multiple PDFs into one:

- Each entry should consist of one single Pdf file whenever possible.
- If a category calls for more than one piece, combine the pieces into a single file for uploading to the contest platform. It is especially important that jumps are included!
- Using Adobe Acrobat, open the first PDF that you want in your entry and save it with a new name.
- Open the new PDF, go to the "Document" menu and choose "Insert Pages." Navigate to the next PDF that you want in the entry and select it.
- Continue until you have inserted all of your pages. In the "Pages" panel, you can rearrange the PDFs in the order you want the judges to see them. Save the new PDF.

Marking an entry on a full-page PDF:

- Within Acrobat, you may mark your entry with an arrow or box so judges will know what to judge.
- This is especially important if you have more than one story per page.

Make PDF files smaller:

- For printing, most newspaper PDFs include high-resolution images. However, contest entries will be viewed and judged on computer screens at low resolution and in RGB color.
- Changing the resolution and changing the CMYK color mode to RGB are the two most effective ways to reduce file size without sacrificing the screen viewing quality.
- Winning entries will be displayed in a printed tab, so do not reduce below average print quality.
